

Our Pizzas are made with great care using a sour-dough starter and specially blended flour. A thin crust base is then topped with the finest ingredients including home made tomato sauce.

Our Gelato and Sorbets are made fresh on the premises everyday using the finest ingredients sourced from Italy and Australia.

Functions and birthdays can be catered for and gelato cakes provided, if required.

We also offer a take away lunchtime menu, which includes gourmet baguettes, and a selection of salads.

Opening hours are Monday to Friday, 1100 am until late, Saturday, Sunday and Public Holidays from 0930am for breakfast until late.

Please ask our friendly staff for suggestions.
